# REGISTER NOW

## www.ohiolinux.org/registration

There are three levels of registration: *Enthusiast*, *Supporter* or *Professional* Pass.
Online registration starts at *name your own price.*
There is an admission level that everyone can afford. Try us out!

The Ohio LinuxFest is dedicated for making Open Source truly *open to everyone.*

We do not tolerate harassment and have a conduct policy promoting a safe environment.

# CONFERENCE OVERVIEW

**FRIDAY** includes the *Early Penguins*, which is an open track to all registered. This includes six different free software topics, from 9am to 4pm.

Simultanteously, we will be offering *OLFI professional training*. We welcome the professional students and the conference attendees to the opening of the *Expo Hall and Happy Hour* following the OLFI and *Early Penguin* Sessions.
*Birds of a Feather (BoF)* sessions occur between 6 and 9pm Friday evening.

A BoF is typically a less formal and more interactive than your typical presentation. To host a BOF, apply at **www.ohiolinux.org/bof/**

**SATURDAY** includes *keynotes*, along many *tracks of presentations*. The tracks include *General Sessions, Career Track, Lightning Talks,* and *Open Source Solutions stage.*
The *Expo Hall* is open all day.
Full schedule: **www.ohiolinux.org/schedule**

### Keynotes

**"Open Source and the Revolution of Software Testing"**

Elizabeth Krumbach Joseph
*Developer Advocate,* **Mesophere**
Ms. Krumbach Joseph is an infrastructure architect with experience with highly available, scalable systems built upon open source technologies. Author of The Official Ubuntu Book and Common OpenStack Deployments. She is also the director at Partimus.org; a former Systems Engineer at LinuxForce and HPE, and Member of the Ubuntu Community Council.

**"Containers Will Not Fix Your Broken Culture, (and other hard truths)"**

Bridget Kromhout
*Principal Cloud Developer Advocate,* **Microsoft**
Ms. Kromhout leads the Devopsdays organization globally and the Devops community at home in Minneapolis. She is also known as the host of the popular podcast "Bridget podcasts at Arrested DevOps"

# HOW CAN WE AFFORD TO DO THIS?

Pre-conference registration starts at *name your own price*. Please be generous!

Some *donate* what they can at the time of registration online or at check-in.

Others *register at the supporter or professional level.*

Many *donate prizes* or *purchase raffle tickets* and *t-shirts.*

The *all-volunteer staff* works throughout the year to plan the event.

We are especially grateful to our *Commercial Sponsors* in the Expo Hall, and those companies who pick up the travel expenses of their speakers, attendees and more.

Supporting OLF is not just the cool thing to do ~ it is the smart thing as well! You'll be *part of the largest gathering of users of Free and Open Source Software* in the Midwest.

*Show this sponsor application* link to your decision makers:
https://ohiolinux.org/sponsors/sponsorship-application/

# ANNUAL CONFERENCE

OCTOBER 12-13, 2018
Hyatt Regency
350 North High Street  Columbus, Ohio  43215

The Ohio LinuxFest is a Free Software community that started in 2003 as a large Linux User Group meeting. A generation of supporters has become the Ohio LinuxFest Community.

We are the largest gathering of users of Free and Open Source Software in the Midwest. Presentations, workshops, and certification opportunities are available for all to learn the latest technology.

Come along and join us as we network and celebrate personal computing freedom.
